The institution submitted the replies dt. 14/09/2015 and 17/09/2015 (papers were received in WRC on 26/07/2016). After examination of the replies of the institution to the deficiency letter, the following points emerge :-

- i) **Engagement of faculty for all pedagogical courses & engagement of teacher with background in Science discipline :**

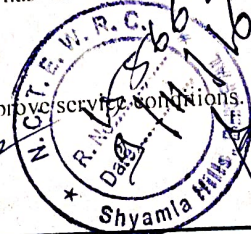

The institution has explained that for the session 2014-15, Science teacher was arranged by way of guest lecturer. It has also been written that recruitment process is going on, and the list of the persons will be forwarded.

This institution was recognized for B.Ed. in July 2008. It is strange that even though 8 years have passed regular staff approved by the University has not been appointed. Secondly, the reply in which the list of selected staff was promised to be sent is dated 14/17-September 2015. It is almost a year since this reply was received, but no list has been received till date. This situation is most unsatisfactory.

- ii) **Improved service conditions :**

The institution has written that it will try to improve service conditions.
