Sir,

Whereas your institution has been granted recognition from the year 2000-2001 vide Order No. f.AP/B.Ed/News/75/SRO/NCTE/2000-2001/1173 Dt. 14/7/2000 with an intake of 100 to offer the B.Ed. course.

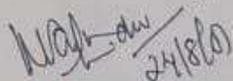

UGC vide its regulation dated 04-04-2000 has stipulated NET / SLET qualification as mandatory for all the lecturers. However the candidates who have completed M.Phil degree / submitted Ph.d thesis upto 31-12-1993 are exempted from appearing in the NET examination.

As per NCTE guidelines all these lecturers who have been appointed before 31-03-2000 are given 2 years time from 2000 - 2001 to acquire NET qualification for fulfilling the requirements of UGC norms.

Whereas from the staff list submitted by you vide letter dated 27/6/01 it is seen that 15 lecturers are available with NET qualification or otherwise, who can be taken into account for calculating the intake. The intake which can be fixed for your institution for 2001-2002 is 100.

In case you desire to have the original intake restored, you may appoint — teachers with NET / SLET qualification based on which SRC-NCTE will restore the intake subject to production of documentary proof like certificates of qualifications, date of appointment, joining report, etc., In view of the above you are hereby instructed to make admissions for the year 2001-2002 with an intake of 100 only.

Yours faithfully,

(M. Vasudev)

Regional Director
