Approved BP is there. 5. We cannot accept the demand for grant of conditional recognition. SRC does not have the authority to do that. The construction has to be completed latest by the time of VT inspection. 6. They have a minority certificate that will be relevant only for the NOC from the Government. They have to produce NOC from the affiliating body which is for ensuring instructional standards as distinct from administrative considerations. 7. Issue SCN accordingly. 8. As per Regulations, 2014, a Show Cause Notice has to be sent to the institution through online mode. As the case was being processed online after the decision of SRC it was observed that there is no such option to send another SCN in the dash board. The options available are either to reject the reply or to accept for preliminary scrutiny.

		In view of the above, a clarification is sought from Mr. Ibrahim vide this office mail dated 20.01.2017 and the same is placed in the file. Reply is awaited. The Committee considered the above matter and decided as under:- 1. The case is incomplete. 2. NOC of affiliating body is still not given. 3. There is no need, therefore, to go into other issues. 4. As per Regulations, letters were sent to the State Government for recommendation on 27.10.2016 followed by Reminder I on 12.12.2016 and Reminder II on 11.01.2017. The University has submitted recommendation for B.P.Ed and M.P.Ed course on 10.01.2017. As per the direction, both the applications were scrutinized online along with hard copy of the applicationS and documents were placed before SRC in its 327th meeting held during 19th to 20th January 2017 and the Committee decided to cause inspection of B.P.Ed (SRCAPP30082) and M.P.Ed courses (SRCAPP201630085) of the institution. As per the decision of SRC inspection of the institution for B.P.Ed and M.P.Ed courses were scheduled through online mode during 01.02.2017 to 21.02.2017. Two VT members for each course have given their acceptance for the visit. On 01.02.2017, an E-mail is received from Head of the Department, School of Physical Education, Kannur University stating as under :- <i>* NCTE has detailed two visiting teams separately to carry out the inspection of B.P.Ed and M.P.Ed courses of School of Physical and Sports Science, Kannur University.</i> <i>B.P.Ed Course – Application ID No. SRCAPP201630082</i> <i>M.P.Ed Course – Application ID No. SRCAPP201630085</i>

*Since the B.P.Ed and M.P.Ed courses are being run under School of Physical Education and Sports Sciences, Kannur University. **we shall be grateful if you could arrange one visiting team to carry out a comprehensive inspection for both the courses in between 8th to 22nd February, 2017"***

This office has received a clarification from Mr. Ibrahim in the matter of inspection of two courses of the institution with separate applications which is as under :-

In case of online applications ; there are two situations (a) Institute has submitted the application under one single form for multiple courses (b) Institute has submitted multiple applications for multiple courses.

a) In case of multiple applications it would not be possible as for each application there is a separate application ID/No including payment and other details. Technically it will not be able to merge under one single record as each of these applications are treated as a separate entity.

b) In case an institute has submitted for multiple courses under a single application form then system will handle it automatically

The Committee considered the clarification of NCTE, Hqrs. and decided as under:-

1. NCTE(HQ) has clarified that in cases of 2 separate applications, joint or composite inspection is not permissible for 2017-18.
2. Their request for a joint inspection is, therefore, rejected.
3. Let the VT inspections proceed as already ordered.

" We are first approached by Mr. Jayadevappa and Mr.Radha Krishna Mohanty with below mail confirmation and the inspection dates was fixed on 3rd Feb 2017.

On 02.01 2017, an e-mail is received from Mr. Ibrahim Islam stating as under :-

"In case of old applications [wherein we are scheduling is done through online route].There are options for adding multiple courses under the same VT schedule. You may use the +/- button to add courses for which inspections need to be schedule. Kindly refer to the screen shot below. Also in the comment box you can provide special instructions to the VT members In addition there is a provision for uploading reference documents for VT Member, wherein you can upload the details of the institute [applications form, credential documents need to be verified etc]"

In case of online applications ; there are two situations (a) Institute has submitted the application under one single form for multiple courses (b) Institute has submitted multiple applications for multiple courses.

- a) In case of multiple applications it would not be possible as for each application there is a separate application ID/No including payment and other details. Technically it will not be able to merge under one

(S. Sathyam)
Chairman

		<u>single record as each of these applications are treated as a separate entity.</u> b) In case an institute has submitted for multiple courses under a single application form then system will handle it automatically. The Committee considered the request of the institution to send one inspection team for both courses and the clarification received from NCTE, Hq. with regard to inspection and decided as under:- 1. NCTE(HQ) has clarified that in cases of 2 separate applications, joint or composite inspection is not permissible for 2017-18. 2. Their request for a joint inspection is, therefore, rejected. 3. Let the VT inspections proceed as already ordered.

But as per ref (3) and ref (4) our college is having the status of Government College as per the prevailing norms of the state, where the rules regulations, staff appointment, placement and promotion, payment of salary etc are in accordance with University, Government and UGC norms.

As per ref (5), Government has given sanction to start the M.Ed course in the Government- aided stream where the appointment and salary payment of the staff is done by the Government

Since the proposed course is intended to start in the Government-aided stream, please let us know whether we need to submit the FDRs further.

In the Letter of Intent (LOI) issued to the institution vide, letter cited above as reference (requirement No.5) we were asked to convert Endowment Fund to five lakhs and Reserve fund to seven lakhs.

This can be done only by closing both the fixed deposits. As the date of maturity reaches only on 26.04.2017 this will be treated by the bank as premature closure leading to a loss of nearly Rs. 1.75 lakhs to the institute.

As per information received from the bank the latest amount including interest upto date has reached Rs.6,30,702/- for Reserve Fund and Rs.10,51,170/- for Endowment fund together exceeding 16 lakhs.

With reference to the above, I present before you the following facts and details.

(S. Sathyam)
Chairman

1. The remarks made by the reference letter cited 1st & 2nd above has been communicated to the Higher Authorities i.e. the Director of Collegiate Education, Thiruvananthapuram vide reference 3rd cited and the same is informed to you vide reference 4th cited.
2. I also inform you that the college was not running the M.Ed course for the last three years. Hence the Government has not made any attempt to post academic staff in the M.Ed Department. Now it is understood that the Government would take immediate steps to make additional posting so as to fulfill the National Council for Teacher Education norms, if M.Ed course is sanctioned.
Considering the above facts I request you to be kind enough to accord temporary sanction to start the M.Ed course during the academic year 2017-18.

However on perusal it is noticed that the letter dated 28.12.2016 is merely a copy of the letter dated 29.11.2016 with change of date. The contentions made by the institution in its letter dated 29.11.2016 have all ready been considered by the SRC in its 324th meeting.

The institution has not submitted proper reply as per the letter dated **17.12.2016**.

As per direction of SRC, a withdrawal order was issued to the institution on 02.03.2011.

The institution approached the Appellate authority against the withdrawal order of SRC and the Appellate authority vide order dated 06.07.2011 has confirmed the order appealed against.

The Apex court in the judgment in Civil Appeal No. 1125-1128/2011 in the matter of Bhanwar Kanwar Singh Shiksha Mahavidyalaya and others before Hon'ble Supreme Court of India as under:-

"An institution is not entitled to recognition unless it fulfills the conditions specified in various clauses of the Regulations. The Counsel is directed to ensure that in future no institution is granted recognition unless it fulfills the conditions processing the application by the Regional committee and Communication of the decision of the issue of recognition it strictly adhered to".

Hon'ble Delhi High Court has also passed an order in Writ Petition No. 128/2011 in the matter of Shree Sitheshwar Education Trust Wherein the Hon'ble High Court has passed an order as under:-

"The Counsel for the petitioner has with reference to the inspection report of 12th March, 2009, sought to argue that the orders are erroneous. However, the petitioner having chosen to allow the order to attain finality and being content with agitating the matter only after raising fresh construction, cannot long gaps of time be heard to make fresh such arguments".

The institution has approached the Hon'ble High court in W.P.No. 21921 / 2011 and W.P.No.21938 of 2011 and a letter was addressed to the then advocate Shri. Vinayaka Swamy requesting him to file a counter affidavit.

Two court orders were received in the office of SRC on 15.09.2011. The Hon'ble High Court in WP No. 26719 of 2011 in 21938 of 2011 dt. 16.08.2011 and WPMP No. 26698 of 2011 in W.P.No. 21921 of 2011 dt. 16.08.2011. Both the orders directed as under:-

"The attention of this Court is drawn to the proceedings of the District Educational Officer, Ananthapur in Rc.No.5804/A4/2011 dated 20.07.2011, whereby the 1st petitioner has been permitted to shift the schools from the existing premises to another building bearing Door No. 10-214. A perusal of the Gift Settlement Deed dated 20.12.2006 shows that the subject property has been gifted in the name of the institution i.e. Little Flower Montessori Primary and Secondary School, Adimurthy Nagar, Ananthapur by one M/s Suragowni Anjineyulu and Sri Suragowni Ravindra Gowd. Therefore, the principal objections relating to the petitioner running the schools in the same premises, the right over the total extent of the land, prima facie appears to have been complied with. It is true that the petitioner shifted the schools under the orders dated 20.07.2011, which is subsequent to the impugned orders dated 06.07.2011. In my view, since the proceedings dated 20.07.2011 of the District Educational Officer, Ananthapur were passed under the A.P.

(S. Sathyam)

Education Act, which is statutory in nature, I am of the view that the same may be taken as relevant fact. Further, the petitioner – institution is a running institution and if it is not permitted to continue, the students will suffer.

In the circumstances, there shall be an interim suspension.

The Hon'ble High Court order has to be seen in the context of the Supreme Court order dated 31.01.2011 & Delhi High court Order dt. 11.01.2011 mentioned in earlier paras.

The SRC in its 211th meeting held on 21st – 23rd September, 2011, considered the matter and decided to cause re-inspection under section 17 of NCTE Act at the premises to verify the shifting of the School and adequacy of the infrastructure and instructional facilities. The institution was directed to submit inspection fee of Rs.40,000/- for each course.

Shifting proposal was submitted by the institution on 17.07.2009. Shifting inspection was conducted on 17.09.2009.

The SRC in its 197th meeting held on 13th and 14th October, 2010, and the committee considered the VT Report and all the relevant documentary evidences and it was decided to serve Show cause Notice Under Section 17 of NCTE Act.

As per the decision of SRC, notice was issued on 03.12.2010. The institution has not submitted its written representation/documents.

The SRC in its 201st meeting held on 22nd-23rd February 2011 and considered the non-response of the institution to the Show cause notice dated 03.12.2010 and it has decided to

withdraw recognition for D.Ed course (APS02773) with effect from 2012-13, in order to enable the ongoing batch of students in D.Ed course, if any, to complete their course.

But it is made clear that the institution is debarred from making any further admission subsequent to the date of issue of this order.

The Affiliating body / Examining board / body be informed accordingly.

Accordingly, Withdrawal of recognition order was issued to the institution on 18.03.2011.

Aggrieved by the withdrawal of recognition order of SRC, the institution preferred an appeal to NCTE-Hqrs and the appellate authority in its order No. F.No. 89-144/2011Appeal/4th meeting-2011 dated 06.07.2011 stated that "...after perusal of documents, memorandum of appeal, affidavit, VT report and after considering oral arguments advanced during hearing, the council reached the conclusion that there was no ground to accept the appeal and hence it should be rejected. Accordingly, the appeal was rejected and SRC's order dated 18.03.2011 was confirmed. The council hereby confirms the order appealed against".

A letter has been received from Govt. of Andhra Pradesh, School Education (PE) Department vide letter G.O. Rt. NO. 521 dated 01.07.2011. As per perusal of the above letter Private D.Ed College of Andhra Pradesh was submitted representation to the Hon'ble Minister stating that they have admitted extra students in D.Ed 1st year after completion of 3rd phase DIETCET-2010 counselling during the academic year 2010-2011. But the 4th phase counselling, the convener DIETCET-2010 have allotted students to the vacant seats of their college under category-A seats and requested to the Govt to accord permission for the extra seats for the year 2010-2011 as a special case.

After examination of the matter by the State Govt in view the interest of the students who were admitted in excess by the institutions and are at no fault of them, hence the Govt ratified the action of the Managements of (28) Private D.Ed colleges in filling of excess seats filled by them for the academic year 2010-2011 as a special case with a strict warning to the managements of such institution not to repeat such unauthorized /irregular admission.

The State Govt requested to take necessary action against the Management as per the rules in force. The present institution has got admission for 15 extra seats as per the above letters of the State Government.

The SRC in its 209th meeting held on 31st July 2011 has decided to issue show cause notice to the above twenty nine institutions with regard to their admitting more than the permitted intake in their D.Ed course, which is against the NCTE norms. And also a letter be addressed to Govt. of Andhra Pradesh, as the affiliating body that in letter should not have permitted/condoned the unauthorized/irregular excess admissions. The NCTE is not in a position to approve of such unauthorized/irregular excess admissions. The institutions are liable to be derecognized for such serious commissions/omissions.

No action has to be taken for the above said State Govt. letter, the SRC in its 201st meeting

taken decision i.e. Withdrawal of recognition. Accordingly, a withdrawal order was issued to the institution on 18.03.2011.

The institution filed a court case in the Hon'ble High Court of Andhra Pradesh, W. P. No. 21938 of 2011 W.P.M.P. No.26719 of 2011 and the Hon'ble High Court of Andhra Pradesh in its order has stated as follows:-

"...The attention of this Court is drawn to the proceedings of the District Educational Officer, Ananthapur in Rc.No.5804/A4/2011 dated 20.07.2011, whereby the 1st petitioner has been permitted to shift the schools from the existing premises to another building bearing Door No. 10-214. A perusal of the Gift Settlement Deed dated 20.12.2006 shows that the subject property has been gifted in the name of the institution i.e. Little Flower Montessori Primary and Secondary School, Adimurthy Nagar, Ananthapur by one M/s Suragowni Anjneyulu and Sri Suragowni Ravindra Gowd. Therefore, the principal objections relating to the petitioner running the schools in the same premises, the right over the total extent of the land primea facie appears to have been complied with. It is true that the petitioner shifted the schools under the orders dated 20.07.2011, which is subsequent to the impugned orders dated 06.07.2011. In my view, since the proceedings dated 20.07.2011 of the District Educational Officer, Ananthapur were passed under the A.P. Education Act, which is statutory in nature, I am of the view that the same may be taken as relevant fact. Further, the petitioner - institution is a running institution and if it is not permitted to continue, the students will suffer.

In the circumstances, there shall be an interim suspension."

The SRC in its 211th meeting held on 21st-23rd September 2011 and the committee considered the Court order and all other relevant documents and has decided to cause re-inspection under Section 17 of NCTE Act at the premises to verify the shifting of the School and adequacy of the infrastructure and instructional facilities. The institution is directed to submit inspection fee of Rs. 40,000/- for each course.

Accordingly, re-inspection of the institution letter was sent on 14.11.2011 and a letter for submission of inspection fee of Rs.40,000/- was sent to institution on 15.11.2011.

In the meanwhile inspection of the institution was conducted on 20.11.2011. The VT report received was placed before SRC in its 214th meeting held on 28th November 2011 and the committee considered the matter and has decided to get the Interim Suspension order of the High Court vacated through our Advocate at Hyderabad.

Accordingly, a letter was sent to an Advocate on 14.12.2011.

In the meantime, the institution has submitted its written representation on 13.12.2011 along with D.D. of Rs.40000/- and submitted some documents.

The SRC in its 218th meeting held on 28th February 2012 consider the matter and decided that in view of condonation ordered by the State Government, SRC may warn the erring institution and require them to give an undertaking that there will be no recurrence of such a

Post on 07.02.2014.*

The Hon'ble High Court of Andhra Pradesh has submitted a show cause notice received by SRC on 23.01.2014 in W.P No.790 of 2014 dated 10.01.2014. The Hon'ble High court was ordered as follows:-

.....Notice before admission. Post on 07.02.2014.

A fax letter was received from the Director of SCERT on 23.01.2014 requesting the status in respect of Little Flower College of Education for Women, Ananthapur District, Andhra Pradesh and the status of the Institution sent to the Director of SCERT, Andhra Pradesh on 24.01.2014.

As per direction of competent authority, a letter was sent by email as well as post to Shri K Ramakanth Reddy, Advocate on 24.01.2014 with requesting to clarify whether the Hon'ble High Court order in WP No. 21938 of 2011 is pertaining to B.Ed course or D.Ed course and to inform the latest factual position of the case.

A letter has been received from Shri Ramakanth Reddy, Advocate on 30.01.2014 clarified that,

The interim orders of the Hon'ble Court passed in WPMP.No.26719 of 2011 in W.P.21938 of 2011 dated 16.08.2011 should be taken as relevant for B.Ed., course only, and

The latest factual position is that the writ petition is pending and the interim orders of the Hon'ble Court passed in W.P.M.P No.26719 of 2011 in W.P.21938 of 2011 dated 16.08.2011 pertains to B.Ed., course only.

(Note: W.P No.790 of 2014, it is related to DIET, CET)

The Committee in its 261st Meeting held on 09th - 10th February, 2014 considered the Hon'ble High Court, Hyderabad order dated 10/01/2014 and also letter dated 26/01/2014 from our Advocate, and decided that:

1. The Court order is only about the B Ed course.
2. Recognition for D.Ed was already withdrawn; only, it was not communicated to SCERT, Hyderabad, SRO to communicate the same to SCERT, Hyderabad, now.

As per the decision of SRC, the status of the application and the clarification of the course

were informed to the Director, SCERT, Andhra Pradesh again on 20.02.2014.

Now, a court order dated 23.01.2014 in WPMP No. 1553 of 2014 in WPMP No. 864 of 2014 in WP No. 790 of 2014 filed by Little Flower Montessori Primary & Secondary School Society and Little Flower College of Education was received on 25.02.2014 and the same order was forwarded from Principal Secretary to Government (PE) was received on 07.03.2014.

The court order is directing as follows:

'Learned counsel for the petitioners has taken me through the letters written by the petitioners' Institution to the 2nd respondent dated 14.10.2013 and 17.01.2014 stating that the institution has ratified the discrepancies and submitted necessary certificates given by the concerned authority i.e. entire campus with labs, library, classrooms, structural soundness certificate, building and rooms photos and video and the official website and the same have been handed over to the authorities on 18.10.2013 personally.

Accordingly to the learned Government pleader for School Education, the authorities have to verify the same. Since the petitioners have intimated the 2nd respondent by letters dated 14.10.2013 and 17.01.2014, there is no justification in seeking further time, particularly in view of the counseling on 17th, 24th and 25th of January, 2014.

In the above circumstances, the respondents are directed to place the petitioners' College in the web counseling of DIET CET 2013 - 2014 on 24th and 25th of this month."

The Southern Regional Committee in its 266th meeting held on 2nd May 2014 considered the matter. Court order dated 23.01.2014, decided and advised Southern Regional Office to write to our Lawyer to file a review petition since the Court order 'stayed' our decision only for B.Ed and not for D.Ed.

As per the decision of SRC, a letter was addressed to Shri.Ramakanth Reddy on 26.05.2014 with a request to file a review petition.

In the meantime on 11.11.2014, an e-mail is received from Shri.Ramakanth Reddy enclosing a copy of the affidavit filed by the institution in W.P.No: 33398 of 2014. In the Hon'ble High Court of Judicature at Hyderabad for the State of Telangana and the State of Andhra Pradesh.

The institution has prayed for

- (A) To declare the proceedings Rc No. 702/C1/TE/SCERT/2012 dated 31.05.2014 as illegal, arbitrary, and in violation of Article 14, 19(1)(g) and 21 of the Constitution of India
- (B) a direction to respondents 1 to 4 (1 The Government of Andhra Pradesh, (2) The Commissioner and Director of School Education (3)The SCERT (4)The Director of Government Examinations, Andhra Pradesh) to receive examination fees of the 1st year D.Ed/ D.El.Ed students admitted by the college and permit them to appear for the examinations. NCTE Hqrs is the fifth respondent and SRC,NCTE is the sixth respondent.

On 18.11.2014, a Court order dated 07.11.2014 in W.P.No. 33398 of 2014 is received by this office from the Hon'ble High Court of Judicature at Hyderabad for the State of Telangana and the State of Andhra Pradesh.
The Court order is as under :-

"Notice before admission:

The learned Government pleader for Education takes notice for respondent Nos.1 and 2 and seeks time to get instructions and file counter.

Learned Counsel for the petitioners shall also take out personal notice by R.P.A.D on all the respondents and file proof thereof.

It is evident from the record, particularly the impugned order dated 31.05.2014, that the petitioners were required to submit the documents as pointed out and the learned counsel for petitioners states that the requisite documents have already been furnished. The learned counsel however states that 40 students, who are admitted, are required to pay the examination fee by 10.11.2014 and in the absence of approval of spot admissions, the examination fee is not being received.

The petitioners have apparently moved this Court at the last minute giving no option for this Court to rescue 40 students, who are caught in cross fire.

Hence, purely as an interim arrangement, without conferring any equities on any of the parties, including the students, pending further orders, there shall be interim direction, as prayed for, however, subject to the further orders in the writ petition.

A court order dated 29.11.2016 was received on 09.01.2017 from the Hon'ble High Court of Hyderabad in W.P.No.21938 of 2011 & W.P.M.P.No.26719 of 2011 filed by Little Flower College of Education for Women.

Court Order stated as under:

"Vide order bearing NO. F.SRC/NCTE/2011/27330, dated 02.03.2011, respondent No.2 - Regional Director, National Council for Teacher Education had the recognition accorded to the petitioner - institution for B.Ed. Course. Aggrieved by the said order of Withdrawal, the petitioners herein preferred an appeal before respondent No.1-National Council for Teacher Education. Respondent No.1 vide order, dated 06.07.2011, rejected the said appeal. The validity and the legal sustainability of the said orders passed by the primary and appellate authorities are under challenge in the present writ petition.

M.K.Ramakanth Reddy, learned Standing Counsel for respondent Nos.1 and 2, submits that only after duly considering the entire issue, the primary and appellate authorities rejected the request of the petitioners. Learned Standing Counsel further submits that in view of the advent of the National Council for Teacher Education Regulations, 2014 (for short the NCTE regulations, 2014), consideration of the case of the petitioners under the old Regulations is impermissible.

Evidently, the recognition was withdrawn long back by the respondents and it is not possible for reviving the same in view of the advent of the NCTE Regulations, 2014 as rightly pointed out by the learned Standing Counsel for respondent Nos. 1 and 2. Since new Regulations came into existence, the petitioners cannot seek

		consideration of their case under the old Regulations. <u>In view of the same, the writ petition is disposed of permitting the petitioners to make appropriate application to the respondents in terms of the NCTE Regulations, 2014 and if any such application is made by the petitioners, the same shall be considered and appropriate orders be passed in accordance with law. It is made clear that the petitioners shall make an application within one month from the date of receipt of this order and if no such application is made within the time stipulated, this order will not ensure to the benefit of the petitioners. It is further made clear that pending consideration of the application by the respondents, the interim order, dated 16.08.2011, passed in W.P.M.P. No. 26719 of 2011 shall continue to operate.</u> Consequently, miscellaneous Petitions, if any pending in this writ petition shall disposed of. No orders as to costs." The Committee considered the above matter and decided as under:- 1. The Court order dated 29.11.16 gave one month's time to the petitioner to make an application. 2. Check and report whether any such application has been received in time. 3. Put up in the next meeting on 12.2.17.

Sub-clause (3) of clause 5 of Regulations, 2014 under Manner of making application and time limit stipulates as under:- <i>“(3) The application shall be submitted online electronically along with the processing fee and scanned copies of required documents such as no objection certificate issued by the concerned affiliating body. While submitting the application, it has to be ensured that the application is duly signed by the applicant on every page, including digital signature at appropriate place at the end of the application.”</i> On careful perusal of the original file of the institution and other documents, the application of the institution was found deficient as per Regulations, 2014 as under:- 1. The institution has not submitted NOC from the affiliating body along with application. 2. The application is not duly signed by the applicant on all every pages of the hard copy of the online application. The matter was placed before SRC for in its 292nd meeting held on 29-30 Sept, 2015 and the Committee considered the matter and decided to issue show Cause Notice for rejection of application in the following ground: • Non Submission of NOC issued by the affiliating body along with application. Accordingly, Show cause notice was issued to the institution on 21.10.2015. The institution submitted written representation on 19.11.2015. The SRC in its 295th meeting held on 26th-30th November and 01st December 2015 considered the documents submitted by the institution along with institution's reply dated 19-11-2015 to the show cause notice and decided as under: • The reply to the SCN is not satisfactory. They have admitted the deficiency. We cannot wait indefinitely from them to produce the NOC. According to the Regulations it is the responsibility of the applicant to secure and attach the NOC from the affiliating body. That being so, it is decided to reject the application. The SRC in its 300th meeting held on 29th -30th January, 2016 decided as follows: <i>“Keeping in mind the over-all public interest, the committee revised its earlier stand to reject all cases of non-submission or delayed submission of NOCs, and decided to reopen and process all such rejected cases by accepting NOCs even now irrespective of their dates of issue”</i>
-----	--	--

As per the direction of SRC, application was processed and placed before SRC in its 303rd meeting held on 15th February 2016. The Committee considered the matter and decided as follows:

1. Contiguity with existing B.Ed.
2. Discrepancy in Sy no. in land and other documents.
3. Built up area is inadequate for existing and proposed programmes
4. BCC is not approved by competent authority
5. Cause Composite Inspection
6. Ask VT to collect all relevant documents.
7. Ask whether they want BA.B.Ed or B.Sc.B.Ed

As per the decision of SRC, inspection intimation was sent to the institution and VT members on 22.02.2016. The Inspection of the institution was conducted on 20.02.2016 and VT report along with documents was received on 22.02.2016.

The SRC in its 305th meeting held on 25th & 26th February, 2016 considered the VT report and other relevant documents and decided as under:

1. Inadequate built up area
2. CD is working
3. Issue SCN accordingly

Before issuance of show cause notice, the institution submitted its written representation on 01.03.2016.

The SRC in its 306th meeting held on 01st – 04th March, 2016 considered the institutions written representation and decided to issue show cause notice for rejection for the following ground;

1. The time given by NCTE (HQ) till 30.05.2015 only for the existing course covered by the RPRO. We cannot take that into consideration. The built-up area available is adequate only for the existing courses. Even if they surrender 1 unit of D.El.Ed, even then, the area available will not be adequate for the proposed courses.
2. The court order is yet to be received. In any case, in the normal course, it is reasonable to assume that the court will deal only with what is pending before it and not any new applications.
3. That being so, the two new applications-B.Sc.B.Ed and B.Ed-AI-are not maintainable.

Accordingly, show cause notice was issued to the institution on 20.05.2016. The institution has submitted its reply along with court order on 13.06.2016.

The institution submitted written representation on 12.07.2016 requesting to give three months time for conducting the required built up area for B.Sc.B.Ed course.

The SRC in its 317th meeting held on 27th & 28th July, 2016 considered the show cause notice reply and decided as under;

1. They have D.El.Ed (2 units, B.Ed(2 units). They want B.Sc.B.Ed (1 unit) and B.Ed-A.I.(1 unit). The total required built-up area will be (2000+2000+500+1500) 6000 sqms. As against this they have only 3772 sqms. They want time till Sept to

(S. Sathyam)

- complete the additional area required.
2. Time is given till 30 Sept 2016.
3. Let them add the construction and approach us thereafter.

Before issuance of letter to the institution, the institution submitted written representation along with relevant documents on 05.08.2016.

The SRC in its 323rd meeting held on 16th to 18th November 2016, considered the matter and decided to issue show cause notice on the following grounds:

1. Their contentions about the built-up-area requirements are not correct.
2. They need 2000 (for D.El.Ed-2 units) + 2000 (for B.Ed-2 units) +500 (for B.Sc B.Ed-1 unit)+500 (for B.Ed-A.I-1 unit)
3. They have only 3772 sq.mtrs. This will suffice only for D.El.Ed(2 units) +B Ed (1 unit) or vice versa.
4. There is no scope for any new course. The existing courses themselves have to be the pruned.
5. Issue SCN accordingly

Accordingly Show Cause Notice was issued to the institution on 30.11.2016.

The institution submitted its written representation for SCN on 09.12.2016 and stating as under,

"I am to refer to the minutes of the meeting of SRC cited (6) above and to state that no reply based on the above, has been received by us from your office and our society would come forward as detailed below.

The State Government vide this letter informed that it has already conveyed vide its letter dated 26.03.2015 not to grant recognition for 2017-2018 for the four TEIs as indicated above.

It was observed from the file that,

1) There is contradiction in letter of the State govt. i.e vide letter dated 26.05.2016. It has mentioned not to grant recognition for B.El.Ed, B.Ed(ODL), B.Ed-M.Ed integrated and B.Ed(Part-time), whereas vide letter dated 27.07.2015 the State Govt. while quoting about its letter dated 26.05.2016 has conveyed not to grant recognition for B.A.B.Ed/B.Sc.B.Ed to the institution.

2) The institution submitted application online on 30.05.2016 and hard copy received on 16.06.2016, which is after 15 days from the date of online submission of application. However, NCTE vide letter No F 49-4/2014/NCTE/N&S dated 22.08.2016 conveyed the direction that 15th July, 2016 shall be the last date for receipt of hard copy irrespective of online submission.

3) As per the Public Notice issued on 09.03.2016 for inviting applications for 2017- 2018, there is a ban for D.El.Ed, B.Ed and B.P.Ed courses only.

4) As per application, the institution is a non-minority institution.

SRC in its 324th meeting held during 7th to 8th December, 2016, considered the matter and decided as under :-

1. The U.T. Admn's reply to our letter is in 2 parts. The first part is about 4 courses not cited by us. We can not, therefore, take that into account. The second part of their reply is specifically about this case, this applicant and, the 2 courses proposed by them. We have, therefore, to take them into consideration as their objection.
2. In terms of the Supreme Court order, in the L.B.S. B.Ed College case, RCs are not bound by the observations of the State Govt / U.T. Admn. But, RCs are expected to pass a speaking order why they accept or not accept the objection of the State Govt. / U.T. Admn.
3. Please request the Puducherry govt. to disclose the reason for their objection to our considering this application.

As per the decision of SRC, a letter was addressed to the Under Secretary to Govt., Higher and Technical Education, Government of Puducherry on 22.12.2016 requesting to disclose the reason for objection to SRC for considering the application.

Since reply had not been received from the State Government, the matter was placed before SRC in its 326th meeting held on 31st January, 2017 and the Committee decided as under :-

1. The Puducherry Govt.'s objection is in general terms. It is with reference to 4 other courses not cited by us.
2. They have not given reasons for extending the objection to B.A.B.Ed./B.Sc.B.Ed. also.
3. They have not cared to respond to our letter requesting for clarification.
4. We, therefore, treat the objection as unacceptable.
5. Process the case and put up.

As per the decision of SRC, the application is processed in online along with the hard copy of the application.

As per public notice for 2017-18, there is no ban for B.A.B.Ed. B.Sc.B.Ed course in the State of Tamilnadu.

As per the direction, the application of the institution was scrutinized online along with hard copy of the application and placed before SRC.

It is also observed that the institution has submitted another application B.A.B.Ed.B.Sc.B.Ed. (SRCAPP30206).

6. BP is in order.
7. BCC is in order.
8. FDRs not given.
9. Cause composite inspection.
10. There is another case of this Trust (SRCAPP201630206) in which V.T. inspection has been ordered. Ask the same Team to cover SRCAPP201630223) also along with the existing B.Ed. this case case.

In view of the above decision of SRC to cause composite inspection and to send the same VT members for inspection in respect of both the applications (SRCAPP201630223 and SRCAPP201630206), a clarification was sought from Mr. Ibrahim Islam as there is no provision in the online system to send the same VT members to two applications with different application IDs

On 02.01.2017, an e-mail is received from Mr. Ibrahim Islam stating as under :-

"In case of old applications [wherein we are scheduling is done through online route]. There are options for adding multiple courses under the same VT schedule. You may use the +/- button to add courses for which inspections need to be schedule. Kindly refer to the screen shot below. Also in the comment box you can provide special instructions to the VT members in addition there is a provision for uploading reference documents for VT Member, wherein you can upload the details of the institute [applications form, credential documents need to be verified etc]"

In case of online applications ; there are two situations (a) Institute has submitted the application under one single form for multiple courses (b) Institute has submitted multiple applications for multiple courses.

- a) In case of multiple applications it would not be possible as for each application there is a separate application ID/No including payment and other details. Technically it will not be able to merge under one single record as each of these applications are treated as a separate entity.
- b) In case an institute has submitted for multiple courses under a single application form then system will handle it automatically.

Note :-As per the reply received from Mr. Ibrahim, there is no provision in the online mode for sending the same VT members for two applications with different applications IDs .

		The Committee considered the above matter and decided as under:- 1. In view of software objections, the decision to cause composite inspection is required to be reviewed. 2. Split the two cases and cause 2 separate inspections in the B.A.B.Ed.(2 units) case and the B.Ed.(30206) case.

Another interim court order in MP (MD) Nos.1, 2 and 2 of 2015 in WP(MD) Nos.11124, 11167 and 11169 of 2015 dated 02.09.2015 received by SRC on 30.09.2015. The court order stated as follows:-

".....Order: These petitions coming on for orders upon perusing the petition and the affidavit filed in support thereof and upon hearing the arguments of M/S ISAAC MOHANLAL, Advocate for the petitioner in all the Petitions the Court made the following order:-

Post on 30.09.2015. Interim order already granted is extended till

then.

SRC in its 293rd meeting held on 29th to 31st October, 2015 considered the interim order and noted the matter.

In the mean time two interim orders dated 15.10.2015 and 23.11.2015 in MP (MD) No.1, 2 and 2 of 2015 in WP (MD) No.11124, 11167, 11168 of 2015 and MP (MD) Nos. 1,2 and 2 of 2015 WP (MD) Nos. 11124, 11167, 11168 of 2015 received on 02.11.2015 and 09.12.2015. The same was placed before SRC in its 296th meeting held on 15th-16th December, 2015 and the Committee considered the matter and decided to **Ask legal counsel to pursue.**

Accordingly, a letter was sent to the advocate on 03.02.2016.

Now, a court order received dated 15.12.2015 from the Hon'ble High court of Madras in W.P. (MD) No.11124 of 2015 and M.P. (MD) No.1 of 2015 received on 04.02.2015. The

court order stated as follows:

The petitioner is a minority institution. The writ petition is questioned G.O.Ms.No.120, (Higher Education -EI) Department dated 02.07.2012 insofar as granting minority status for a limited period of five years from 2011-2012 to 2015-2014.

2. Heard both sides.

3. According to the learned counsel for the petitioners, the minority status will hold good for ever without any restriction as to period. However he has submitted that if there is any change in the constitution of Educational Agency or if the institution is run contrary to the Memorandum of Association/Bye-laws of the Society, it is open to the Government to issue notice and take appropriate action in accordance with law.

4. The learned counsel for the petitioner relied on a Division Bench Judgement of this court in Secretary, Jeyaraj Annapackiam College V. State of Tamilnadu reported in (2013) & MLJ 809. It is useful to extract para 7 of the said judgement.

"7. We are in entire agreement with the Division Bench judgement of this court reported in Thirumuruga Kirupananda Variyar Thavathiru Sundara Swamigal, Medical, Educational and Cahritable Trust, Sales V. State of Tamilnadu stated supra. Accordingly, the order of the learned single judge is set aside. The minority status given to the appellant will hold good without any restriction period. However, if the respondents are able to find any change in the constitution of educational Agency or if the institution is run contrary to the Memorandum of Association/Byelaws of the society, it is open to the Government to issue notice and take appropriate decision in accordance with law."

5. Accordingly, the portion of G.O.Ms.No.120, (Higher Education -EI) Department dated 02.07.2012, limiting the minority status period is quashed and the minority status given to the petitioner's college will hold good without any restriction as to period. However, this court could not preclude the Government to take action if there is any change in the constitution of educational agency or if the institution is run contrary to the Memorandum of Association/Bye-laws of the Society.

6. The writ petition is allowed to the extent above. No costs. Consequently, connected M.P. (MD) Nos.1 of 2015 are closed.

The SRC in its 303rd meeting held on 15th February 2016, considered the court order and has noted.

The institution has submitted for compliance of RPRO case on 29.10.2015 and 01.03.2016.

The SRC in its 314th Meeting held on 27th and 28th May, 2016 decided as under.

"For cases of B.Ed (2 Units) in the existing institution, where RPRO, has been issued, we have to cause inspection to check adherence to the 2014 Regulations.

On careful perusal of the original file of the institution and other documents, the application of the institution was found deficient as per Regulations, 2014 as under:-

- The application is not duly signed by the applicant on all pages as per Sub-section (3) of Section 5 of Regulations, 2014.
- The institution has not submitted certified copy of registered land document issued by the competent authority. The document submitted shows the land in individual name.

SRC in its 291st meeting held during 20th to 21st August, 2015 considered the application of the institution and decided as under :-

- Summarily rejected for the deficiency cited in the agenda note, i.e land document is in the name of individual and not in the name of Society/Institution.

On 23.09.2015, based on the website information, the institution submitted a representation as under:

"In obedience to the ref cited above (291st meeting of SRC), we the management of AVR & SVR College of Education (B.Ed), Mannur, Kurnool District, Andhra Pradesh bearing No.SRCAPP14167 beg your goodness to consider the following request.

After seeing the particulars of 291st meeting of the Committee, SRC-NCTE Bangalore on 20th and 21st august, 2015 on online, we the management know that our college is summarily rejected and approached RD-SRC -NCTE, Bangalore and the cause of rejection is that the institution has not submitted the copy of the land document on the name of Lavanya Charita Educational Society. This is a mistake and the institution has not done it intentionally.

Hence, we humbly request the Regional Director and Committee-SRC-NCTE, Bangalore to kindly excuse this mistake for first time and grant permission to the institution to proceed further as we are submitting herewith original land documents on the name of the Society and Xerox copies as well.

Remarks

The institution submitted certified photocopy of the sale deed dated 26.12.2007 in favour of 'Lavanya Charita Educational Society on 23.09.2015.

The SRC in its 292nd meeting held during 29th to 30th September, 2015 considered the matter, request of the institution vide letter dated 23.09.2015 and decided as under:

- Earlier decision to reject summarily was correct.

As per the decision of SRC, a rejection order was issued to the institution on 31.10.2015.

Aggrieved by the rejection order of SRC, the institution filed an appeal before the appellate authority NCTE Hqrs.

The appellate authority vide order F.No.89-343/2015 Appeal/3rd Meeting 2016 dated 18.04.2016 remanded the case to SRC as under:-

"The Committee noted that the SRC on finding that the land document submitted with the application was in the name of an individual, in their 291st meeting held on 20-21 August, 2015, decided to reject the application on the ground that the land is in the name of the individual. The appellant seeing the decision online, sent a letter, which was received in SRC on 23.09.2015. In that letter, the appellant admitting that by mistake they did not submit the land document in the name of Lavanya Charitha Educational Society, enclosed original and Xerox copies of the said land documents. The Committee also noted that the SRC thereafter considered the matter again in their 292nd meeting held on 29-30 Sept., 2015 and concluded that the earlier decision to reject summarily was correct and issued the rejection order on

31.10.2015.

The committee noted that a copy of the land document submitted with the application was a sale deed in the name of an individual registered on 25.04.2007. The committee also noted that the appellant has submitted to SRC on 23.09.2015 a copy of the land sale deed registered in the name of the society on 26.12.2007, admitting his mistake in not submitting the same along with the application since the land stood registered in the name of the society on 26.12.2007, and the sale deed mentioned that the earlier sale of this land was done on 25.04.2007 in favour of the vendor. The non-submission of the document registered on 26.12.2007 initially appears to be a bone-fide mistake on the part of the appellant. In view of this, the committee concluded that the matter deserved to be remanded to the SRC for processing the application further on the basis of the land document registered in the name of the society as per the Regulations.

After perusal of the memorandum of appeal, affidavit, documents available on records and considering the oral arguments advanced during the hearing the committee concluded that the appeal deserved to be remanded to SRC for processing the application further on the basis of the land documents registered in the name of the society as per the Regulations.

The Council hereby remands back the case of AVR & SVR College of Education, Nannur, Kurnool, Andhra Pradesh to the SRC, NCTE, for necessary action as indicated above."

1. Both the cases have been revived by the Appellate Authority.
2. Cause Composite Inspection.

As per decision of SRC, Inspection generated through online. The names of VT Members were generated through online VT module. Inspection of the institution was conducted on 19.08.2016. VT report along with CD and documents received on 23.08.2016.

2. LUC and EC are in order.
3. BP is in order.
4. BCC is in order. Built-up area is adequate.
5. Issue LOI for B.Ed(1 unit) and D.El.Ed(1 unit).

Accordingly, as per decision of SRC, LOI was sent on 05.12.2016 for both courses.

The institution has submitted reply on 06.02.2017 seeking extension of time.

The Committee considered the above matter and decided as under:-

1. Request for time to file LOI reply is accepted.
2. Time is given till 31.12.17 subject to the understanding that the opportunity to be considered for FR w.e.f. 2017-18 will be lost on 3.3.17.

Note - NCTE Hqrs has forwarded complaint dated 05.11.2016 received by them from Shree D. Jananya is forwarded to this office SRC for taking necessary action. A letter stating as under :-

"Dr. SNS College of Education (affiliated to Tamilnadu Teacher Education University, TNTEU Chennai) and Dr. SNS Rajalakshmi College of Arts and Science (affiliated to Bharathiar University, Coimbatore) are both run by Sri SNS Charitable Trust Coimbatore.

I had recently sent an RTI application to NCTE requesting details about the extent of lands being used by Dr. SNS College of Education, Coimbatore, I received a letter dated : 23.09.2016 from NCTE SRC, which gave the following details:

- As per documents, Dr. SNS College of Education used an extent of 5.5 ares of land.
- Land was leased by two owners, Dr. S.N Subramanian and Dr.S. Rajalakshmi
- The lease was for a period of 51 years.
- Sl.No. of lands being used was 486/2, 487/1, 486/1

		Based on the above details and based on the documents of the said lands and encumbrance certificate (copies enclosed), it is seen that the same land of 5.5 acres with S.f.Nos. 486/2, 487/1, 487/1 has also been leased to Dr. SNS Rajalakshmi College of Arts and Science. It is to be noted that the land owners Dr. S.N Subbramanian (Sf.No. 486/2, 487/1 covering 3.92 acres) and Dr.S. Rajalakshmi (Sf.No. 486/2 covering 1.58 acres) are the Chairman and Managing Trustee respectively of Sri SNS Charitable Trust which runs the above said colleges. It is evident that they have initially leased the 5.5 acres of land for the use of Dr. SNS Rajalakshmi College of Arts and Science in 1998 for 51 years. This lease expires only in 2049. The same land has been leased to another institution Dr.SNS College of Education (run by the same Trust which runs Dr.SNS Rajalakshmi College of Arts and Science) While the previous lease is still in existence. Without the first lease period expiring or without cancelling the first lease, they have leased the same land to another institution, which clearly violates the basic norm laid by the stipulated authorities. The clearly shows that the same extent of lands has been used to get affiliation for two different institutions affiliated to two different university. Keeping in mind the larger interest of the student and other stake holders of the institution, I request you to look into the issue and take appropriate action to protect the future interests. This is to ensure that the student and stake holders are not affected in the long run due to the wrong doing by the college management". The Committee considered the original file along with VT report, CD and all other documents and decided as under:- 1. Leased land – 51 year lease. Title is clear. 2. LUC not given. 3. EC given – obtain latest EC. Earlier EC shows 'deposited with Central Bank'. 4. BP is approved by competent authority. Built-up area shown is 4719 sq.mts. 5. BCC is not approved by competent authority. 6. FDRs – originals required. 7. Faculty list – approved by TNTEU in 2015. One Asst. Prof.(Com.) and 2 Asst. Profs.(Comp.Sc.) to be replaced by 2 Asst. Prof.(Pers.) and 1 Asst. Prof.(Biological Sc.) 8. Issue SCN accordingly.

We had purchased the land in the year 2002, 8 acres and 31 guntas or 35570 square meters opposite saryasai ashrama NH7 Bagepalli Kusaba, Bagepalli-516207 and started constructing the building with minimum built up are of 1573 square meters we have reasoned it is impossible to complete the construction by the end of December 2007 we have give up and shelved the idea of constructing our own building at this place.

Under the circumstances we had decided to shift the college to Guler Village which is nearby in view of the compelling circumstances enumerated below.

1. As already stated by us, since the completing our own building at Bagepalli Town by December,2007 is impossible we have shelved the idea.

(S. Sathyam)

2. There are no other buildings satisfying the NCTE norms in respect of minimum requirement of land and buildings needed for the college is available for taking on lease for 30 years in and around bagepalli town.
3. The Buildings at Gulur where we desire to shift are built by the trust and are appearing in trust accounts. Since the land is owned by Sri. Nidumamidi Mahasamsthana Peeta i.e. the promoter of our trust, we have entered into 29 years and 11 months lease in respect of land of 11 acres and 31 guntas or 47651.66 sq. meters and the building with built up area of 2176.80 sq. mtrs
4. The new premises is at a distance of just 8 kms from the old premises an adequate government and other public transport is available The college can be reached in less than 20 minutes from Bagepalli.
5. The place land and buildings are in a tranquill atmosphere surrounded by trees most suitable for education.
6. Hotels and cateries are available in gulur itself near the college

Giving due respect to the terms of recognition that within 3 years the college to be housed in permanent structure and with the good intention of housing the students in a proper environment, relieving them from the inconveniences of temporary sheds, we had shifted to the new permanent that satisfies NCTE norms.

We have been sincerely submitting all the documents needful by you from time to time and are submitting the required documents now as desired in your letter.

We once again appeal to your good selves to condone the unintentional lapse of not seeking prior permission. Before shifting our college to the new premises and please consider our request favourably.

The SRC in its 246th meeting held on 02nd - 04th of June, 2013 has considered the written reply of the institution on the above matter and also the relevant documents of the institution and decided to withdraw recognition for the following reasons:-

- The Institution was granted recognition in temporary premises to run B.Ed course from academic session 2004-2005 with a condition that it should shift to its own permanent premises in 3 years, i.e., on or before 29.11.2007. - The institution has not submitted the FDRs of Rs. 3 lakh (reserve fund for B.Ed) maintained in joint account with the Regional Director, SRC.

Based on the above points the committee decided to withdraw the recognition of the B.Ed course run by the Bhagwan Buddha College of Education No. 1706, 5th Cross, II Block, Siddharthanagar, Malavalli Town, Mandya District, Karnataka, from the academic year 2013-14, in order to enable the ongoing batch of students in B.Ed. course, if any, to complete their course.

F.No.89-599/2013 Appeal/18th Meeting 2013 dated 10.01.2014 has confirmed the order of SRC stating that *"the council concluded that the SRC was justified in refusing recognition and therefore, the appeal deserved to be rejected and the order of the SRC is confirmed."*

The SRC in its 260th meeting held on 29th - 31st January 2014, has considered the appellate authority order and has noted the matter.

Further, the institution has submitted its written representation on 28.01.2015 along with copy of Hon'ble High Court order in W.P.(C) 8711/2014 dated 09.12.2014.

Present writ petition has been filed with the following prayers:

- C. *Pass any such other orders/directions as this Hon'ble Court deems fit and proper in the facts and circumstances of the case."*

Both the Southern Regional Committee (SRC) and National Council Teacher Education (NCTE) have rejected the petitioner-institute's application on the ground that petitioner-institute had not shifted to its new premises within three years as stipulated in the recognition granted to the petitioner-institute during the academic session 2004-2005.

Mr. Mayank Manish, learned counsel for petitioner states that respondents had failed to appreciate that petitioner had already requested for change of site to SRC.

Mr. T. Singhdev, learned counsel for respondent no. 1 relies upon the order dated 30th July, 2014 passed by this Court in similar facts in George College Department of Education Vs. National Council for Teacher Education and Anr., W.P.(C) 3371/2014.

Consequently, in view of the order dated 10th September, 2013 passed by the Supreme Court in SLP No. 4247-4248/2009 directing that all pending applications shall be decided in accordance with new regulations, the present writ petition is disposed of with a direction that the petitioner shall apply afresh in accordance with new regulations, if required and same shall be considered by respondents-NCTE/SRC for the academic year 2015-2016 in accordance with new regulations which shall be notified in compliance with the directions of the Supreme Court.

If any deficiency is found, the same shall be conveyed to the petitioner, who shall be given an opportunity to remove the said deficiency, in a time bound manner. In case the deficiencies are removed within the given time, the application shall be processed in accordance with the relevant rules and regulations. If the deficiencies are not removed, the application shall stand rejected.

Accordingly, present writ petition is disposed of with no order as to costs. "

The SRC in its 314th meeting held during 27th & 28th may, 2016 considered the reply to the revised order and decided as under:-

"For cases of B.Ed (2 units) in the existing institution, where RPRO, had been issued. We have to cause inspection to check adherence to the 2014 Regulations. This action will have to be completed by July, 2016 so that revised Formal Recognition can be issue w.e.f. 2016-17 to enable them to make admissions in time.
