- The matter of processing of the applications was considered by NCTE in its 55th General Body meeting held on 14th July, 2022, wherein it was decided as under :-

Agenda No [2]: Status of applications for Diploma level courses pending in RCs at various stages:

The Council, after consideration of Agenda placed before the Council and detailed discussion and deliberation, as below, observed the following :-

- *The NEP, 2020 recommends introduction of 4 Year integrated B.Ed. as a dual-major holistic bachelor's degree in Education which will be offered in multidisciplinary Institutions/Universities. By 2030 this will be the minimal qualification for a person to become a teacher.*
- *The Diploma Level Teacher Education Courses are not in line with the recommendations of NEP 2020 as per Para 15.4 & 15.5 of NEP 2020.*

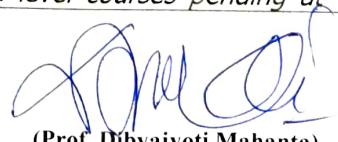

"15.4. As teacher education requires multidisciplinary inputs, and education in high-quality content as well as pedagogy, all teacher education programmes must be conducted within composite multidisciplinary institutions. To this end, all multidisciplinary universities and colleges - will aim to establish, education departments which, besides carrying out cutting-edge research in various aspects of education, will also run B.Ed. programmes, in collaboration with other departments such as psychology, philosophy, sociology, neuroscience, Indian languages, arts, music, history, literature, physical education, science and mathematics. Moreover, all stand-alone TEIs will be required to convert to multidisciplinary institutions by 2030, since they will have to offer the 4-year integrated teacher preparation programme.

15.5. The 4-year integrated B.Ed. offered by such multidisciplinary HEIs will, by 2030, become the minimal degree qualification for school teachers. The 4-year integrated B.Ed. will be a dual-major holistic Bachelor's degree, in Education as well as a specialized subject such as a language, history, music, mathematics, computer science, chemistry, economics, art, physical education, etc. Beyond the teaching of cutting-edge pedagogy, the teacher education will include grounding in sociology, history, science, psychology, early childhood care and education, foundational literacy and numeracy, knowledge of India and its values/ethos/art/traditions, and more. The HEI offering the 4-year integrated B.Ed. may also run a 2-year B.Ed.. for students who have already received a Bachelor's degree in a specialized subject. A 1- year B.Ed. may also be offered for candidates who have received a 4-year undergraduate degree in a specialized subject. Scholarships for meritorious students will be established for the purpose of attracting outstanding candidates to the 4-year, 2-year, and 1-year B.Ed. programmes."

- *As per provision of Section 12 of NCTE Act, 1993 it shall be the duty of the Council to take all such steps as it may think fit for ensuring planned and co-ordinated development of Teacher Education.*

different stages in various Regional Committees in NCTE.

In light of the above, the Council decided the following:-

- I. *At present, there are several institutions which have been recognized by the Regional Committees of NCTE wherein Diploma level courses/ programmes are running. An Expert Committee be constituted to devise the modalities for conversion of these recognized institutions into multidisciplinary institutions in line with NEP 2020.*
- II. *The applications pending before the RCs for the said Diploma level course(s) shall not be processed further. Hence, all such pending applications before RCs at any stage of processing be returned along with the processing fee to the concerned institution(s).*
- III. *In the cases where the applications for 2 Year Diploma level Course (s) are being processed/ re-opened as per the directions of the Hon'ble Court (s), the concerned Regional Committee shall file a review / appeal before the Hon'ble Court(s) alongwith stay application against the order passed by the Hon'ble Court(s) for processing of application(s) in view of the decision of the Council as taken in II above.*

In view of the above, the Committee decided that the application of the institution cannot be considered and processed as the NCTE had not invited the application for the D.El.Ed course in 2017. Further, since no application was invited and no application number were generated, question of acceptance of payment does not arise. The original demand draft of Rupees One Lakh Fifty Thousand be retuned and the application is rejected and disposed off accordingly.

The meeting ended with vote of thanks to the chair.
