ERC for ERC's consideration. As this is year 2025, there is a gap of a period of 3 years, the staff status of these TEIs could vary/have changed during these years.

After carefully observing the reply to final SCNs along with other related documents, the ERC concluded the following:-

1. It will be appropriate to seek fresh Staff Profile from these 41 TEIs to take a final view in the matter. This would save the office from unnecessary litigation and avoid legal complications in the courts.
2. Once these staff profiles are considered by ERC and decision is taken in this regard, the status could be apprised to the NCTE Hqrs against their OM dated 22.09.2025 (supra).

Hence, Committee decided that a communication is required to be made to these institutions to seek the latest faculty profile in the prescribed proforma, duly approved by the Affiliating Body concerned within 21 days from the date of issue of such communications. Accordingly, a communication letter dated 30.01.2026 was issued to the institution and the institution has submitted the reply.

**After carefully observing the reply of the institution, the ERC concluded that the reply is satisfactory and decided that no further action is required. A letter be issued to the institution accordingly.**

The Meeting ended with vote of thanks to the chair.
