**Decision of WRC :**

In terms of Section 14 (1)/15 (1) of the NCTE Act, 1993, the online application of institution for transition from B.A.B.Ed./ B.Sc. B.Ed. Programme to 4-Year Integrated Teacher Education Programme (ITEP) for the session 2026-27 along with NCTE Act, 1993, Regulations, Guidelines issued by NCTE from time to time, Virtual Inspection Report, Reply of final Show Cause Notice post Inspection, and documents uploaded by the institution were carefully considered by the WRC, NCTE and the Committee observed as under:

As the reply given by the institution is not satisfactory, the Committee accepts the report of the visiting team in this regard that:-

- i. "Photo of Institute's Building-Not Accepted. The authenticity of the building shown during the inspection is doubtful; it appeared that the inspection was conducted in a public school by placing signboards such as classrooms, common room, and laboratories." in the reply of this; The institution has uploaded various land-related documents in this regard; however, this does not resolve the issues. Therefore, the regional committee accepts the observations of the online visiting team.
- ii. the observations of the online visiting team are "Class Room - Not Accepted." "Seating Capacity- Not Accepted" in the reply of this; The institution has uploaded various photographs in this regard. However, these photos do not prove that the classrooms are spacious and that the seating capacity meets NCTE norms.
- iii. "Seating Capacity of Multipurpose Hall - Not Accepted. During the Inspection, the College attempted to misguide the Team by arranging Rented Chairs and Furniture from a Tent House in the Multipurpose Hall." In response to this, the institution has uploaded various invoices for the purchase of furniture. However, these photographs do not resolve the issues in question. Therefore, the Regional Committee accepts the observations made by the online visiting team.
- iv. "Science Stream Laboratories- Not Available" "Humanities Stream Laboratories- Not Available" "Activity Cum Resource Center- Not Available." "Health And Physical Education Room- Not Available." In response to this, the institution has uploaded stock register pages and some photos. However, these photographs and stock register pages do not resolve the issues in question. Therefore, the Regional Committee accepts the observations made by the online visiting team.
- v. "Faculty Room- Not Available." "The staff room does not have a separate space for teachers" "Common Room- Not Available." "Facilities For Co-Curricular Activities- Not Available." In response to this, the institution has uploaded stock register pages, invoice and some photos. However, these photographs and stock register pages do not resolve the issues in question. Therefore, the Regional Committee accepts the observations made by the online visiting team.
- vi. "From the very beginning of the inspection, the college attempted to conceal facts and presented misleading information before the inspection team." Therefore, the Regional Committee accepts the observations made by the online visiting team. The Regional Committee took official note of this.
- vii. The college building does not have a proper ramp for persons with disabilities; only stairs were covered with plywood and presented as a ramp. Therefore, the Regional Committee accepts the observations made by the online visiting team. The Regional Committee took official note of this.
- viii. There is no proper ventilation in ground floor classrooms and laboratories.
- ix. There is no issue register to support the already running teacher education course in the college.
- x. The college has not made arrangements as per NCTE norms for essential facilities such as a library, laboratories, multipurpose hall, humanities stream laboratories, health and physical education room, psychology lab, and adequate furniture, despite being operational. The Regional Committee took official note of this.

- xi. The fire safety certificate has been obtained in the name of the managing committee and does not mention the college; the website also indicates that the same committee operates multiple institution/colleges/school.
- xii. "The authenticity of the institution is questionable." "From the above facts, it is evident that the college neither has its own building nor the required educational resources for the ITEP programme." The Regional Committee accepts the observations made by the online visiting team.
- xiii. "Adequate accessibility provisions are lacking, as there are no lifts or ramps to facilitate access to upper floors for specially-abled individuals." "Currently institute does not have Ramp/Lift for upper floors, instead of it a wooden board put on staircase with black carpet covering it."
- xiv. "There is no issue register or documentation to support the teacher education courses currently claimed to be running like proper purchase of goods and stock verifications."
- xv. "Some office spaces presented Girls and Boys common rooms. Files and other furniture were seen in these rooms, no pad vending machine in institute/ Girls common rooms."
- xvi. "To simulate a prepared environment, the college arranged rented furniture and chairs from a tent house for the multipurpose hall as none of it was having record pen written Paper slip pasted on it for the day."
- xvii. There are less numbers of classrooms in the institute. The college has failed to establish required facilities including a library, psychology lab, humanities laboratories, and health and physical education rooms as per NCTE norms.
- xviii. The building presented appears to belong to many institutes as other Institute put same pics on their website. Like Shree Krishna Public School; Shri Krishna TT College Sikandra.
- xix. Labs are being run in Underground/Basement which is not permitted as per NBC 2016 and NCTE Norms. Laboratories lack proper ventilation, especially Chemistry, Botany and Physics lab.
