1	Sub : Consideration of the Court Matters wherein the Hon'ble Court has directed conduct of inspection and completion of the entire process within the timelines prescribed by the Court
	The Committee respectfully took note of the judgment dated 29.05.2026 passed by the Hon'ble High Court of Delhi in W.P.(C) No. 4860/2026 and connected matters, whereby the impugned refusal order(s) issued by WRC as per the laid down procedure /SoP by NCTE, were set aside and the Committee was directed to conduct inspection of the petitioner institutions and to complete the process for the academic session 2026-27. The Committee further took note that subsequent orders dated 05.06.2026, 08.06.2026, 15.06.2026, 17.06.2026 and 24.06.2026 have been passed by the Hon'ble High Court in connected/similar matters, containing directions to the same effect. 2. The Committee noted that a total of 759 applications were received in the month of October 2025 in NCTE for the transition of the B.A. B.Ed. and B.Sc. B.Ed. programmes, of which 513 applications were received by the WRC. 3. This indicates that the WRC handled a disproportionately large share of the total applications received by the NCTE. Despite limited manpower and resources, the WRC has made every effort to process the applications expeditiously. 4. Although the applicable Regulations/SoP envisage two Regional Committee meeting (s) per month, the WRC has been convening meetings on a weekly basis to expedite the process. 5. The Committee observed that, in order to give effect to the directions of the Hon'ble High Court in a fair and considered manner and consistent with the applicable statutory framework and SOP, the process necessarily involves a sequence of stages — inspection of the institutions, consideration of the inspection report, issuance of show cause notice, grant of opportunity to the institutions to respond, and thereafter a decision to issue Letter of Intent (LoI) or rejection of the application. Further, as per Clause 7(13) of the NCTE Regulations, 2014, a period of two months is required to be provided to the institutions to submit their reply to the Letter of Intent. 6. At each stage, the application is required to be thoroughly examined by the WRC before a decision is taken. 7. In view of the above, it is evident that, given the volume of applications and the multi-stage regulatory process, undertaking these stages in respect of all the concerned institutions requires additional time, so that the exercise is carried out fairly and in the interest of the institutions themselves. 8. The Committee further noted that writ petitions raising similar issues continue to be filed before the Hon'ble High Court, and orders containing directions similar to those in the judgment dated 29.05.2026 are likely to be passed in such matters from time to time. The same considerations regarding the volume of applications and the multi-stage regulatory process would equally apply to compliance with such orders. Decision of WRC :

		In view of the above, the WRC decided that: (i) An appropriate application seeking a reasonable extension of time for compliance be filed before the Hon'ble High Court of Delhi in W.P.(C) No. 4860/2026 and connected matters in respect of the judgment dated 29.05.2026 and the subsequent orders dated 05.06.2026, 08.06.2026, 15.06.2026, 17.06.2026 and 24.06.2026; and (ii) In respect of any future orders passed by the Hon'ble High Court in similar matters containing directions of like nature, appropriate applications seeking a reasonable extension of time for compliance be likewise filed before the Hon'ble High Court, and the Regional Director, WRC is authorized to take necessary steps in this regard.
