Decision of WRC

The original file of the institution along with other related documents, directions of the Hon'ble Court were carefully examined in the light of the NCTE Act, 1993, Regulations and Guidelines issued by NCTE from time to time were considered by WRC and the Committee observed as under:-

1. This institution was recognised by WRC with an annual intake of 50 students vide order dated 02.05.2016.
2. As per the available records the institution has not submitted any application/representation for increase of intake however it has filed writ petition wherein a representation 20.02.2026 is annexed wherein it has been requested to increase the intake of the institution from 50 to 100.
3. The Hon'ble High Court of Delhi W.P. (C) 9733/2026 has passed order dated 20.07.2026 directing the NCTE to decide the petitioners' representation dated 20.02.2026, expeditiously by a speaking order within 4 weeks from today.

The representation dated 20.02.2026 was considered by WRC and WRC observed the following: -

- i. The Committee noted that the institution in its representation has sought to increase of 2nd unit of D.El.Ed. course, which would amount to an increase in annual intake from the existing 50 (one unit) to 100 (two units).
- ii. As per Section 15 of the NCTE Act, 1993, read with the NCTE (Recognition Norms and Procedure) Regulations, 2014, and the National Council for Teacher Education Rules, 1997, an institution seeking an increase of intake in an existing recognised course is mandatorily required to submit a fresh application in online mode in the prescribed format, along with the prescribed processing fee.
- iii. No such application has been submitted by the institution through the prescribed online mode as required under the extant Regulations. In view of the above, the representation of the institution seeking of increase intake of the second unit in the D.El.Ed. course cannot be acceded to, as allowing the same in the absence of a formal application would be contrary to and in contravention of the relevant provisions of the NCTE Act, 1993, Rules and Regulations made thereunder, and would lead to an anomalous situation inconsistent with the statutory framework governing recognition and increase of intake.

Accordingly, keeping in view the above, the WRC decided that the representation dated 20.02.2026 submitted by the institution is disposed of. The institution is at liberty to apply afresh for increase of intake in the existing D.El.Ed. course through online portal of NCTE, in accordance with the prescribed procedure, as and when applications are invited by the NCTE.
