Programme to 4-Year Integrated Teacher Education Programme (ITEP) for the session 2026-27 along with NCTE Act, 1993, Regulations, Guidelines issued by NCTE from time to time and documents uploaded by the institution were carefully considered by the WRC, NCTE and the Committee observed as under:

- (i) **The institution website " <https://cambridge-techcpgc.in/>" is not operational. The institution is required to update and maintain the website in compliance to provisions under Clause 7(14)(i), 8(6), 8(14) and 10(3) of NCTE Regulations, 2014 as amended from time to time.**
- (ii) **The Institution is required to upload the category of Institution in the institution details.**
- (iii) **The institution is required to upload authorization letter on stamp paper as per prevailing norms of respective state govt.**
- (iv) The institution is required to upload the NOC of affiliating body No.32859 dated 05/07/2025 as mentioned in the portal.
- (v) **The institution is required to upload the Exemption Certificate (Form 12A) issued by the Income Tax Department or issued by government competent authority.**

- (vi) In the column of Society/Trust/Company members information, the institution has filled information of Chairman/president/Secretary and treasurer with PAN & Aadhar no. only. It is required to mention all Society members with PAN & Aadhar No.
- (vii) The Institution is required to upload information of all programme/courses run by institution in the campus.

- (xi) The scrutiny of the application has been made despite the institution has claimed itself as a multidisciplinary institution but in the portal column of multi-disciplinary fill “NO”.
- (xii) The Khasra numbers and land areas provided by the institution are inconsistent across documents: the NRC recognition order dated 02/05/2017 cites Khasra No. 3373/2; the online application lists 3373/2 and 2575/1/2/3 with 10,000 sq. m. land and 4,897.67 sq. m. built-up area; the uploaded land documents mention 3373/2 and 2375/1/2/3 with 11,000 sq. m. land; and the Sale Deed (12/2014) includes 3373/2 and 2575/1/2/3 with areas of 0.35, 0.16, 0.29, and 0.30 hectares, respectively. These discrepancies show a clear mismatch in Khasra numbers and land area among the online portal, affidavit, and Sale Deed. Institution should clarify regarding the same.
- (xiii) The institution has uploaded the Samparivartan Aadesh dated 24.10.2011 for Kh. No. 3373/2 and dated 07.01.2021 for Kh. However, Khasra No. 2375/2 is not mentioned in the CLU, and the land use has not been recorded for educational purposes. Furthermore, while the converted land area mentioned in the CLU column of online application is 8,000 sq. m., the institution has declared its land area as 10,000 sq.m. The institution is required to upload Land Use Certificate (CLU) as per Rajasthan Urban Areas (Permission for use of Agricultural Land for Non-Agricultural Purposes and Allotment) Rules, 2012 in Form-11 of Rule 7(1) while mentioning all Khasra/Plot/Survey No. issued by Competent Government Authority.
- (xiv) The institution is required to upload LATEST Non-Encumbrance Certificate issued by issued by the Competent Govt. Authority mentioning the Khasra nos. and total land area and built-up area.
- (xv) The name of the institution does not appear at the latitude and longitude coordinates provided in the online portal. Institution should clarify regarding the same
- (xvi) The institution is required to upload Building Plan approved by the Competent Authority of State Government mentioning the name of institution, Khasra/Plot/Survey No. and mentioning the total land area and total built-up area earmarked for each course being run in the premises and the demarcated land area and built-up area for the teacher education programmes including multi-disciplinary programmes.
- (xvii) The institution has uploaded the building plan for Kh. No. 3373/2, showing a total area of 10,000 sq. m. and a total built-up area of 4,897.67 sq. m. However, the land documents also include Kh. Nos. 2375/1/2/3, which are not reflected in the building plan, as only Kh. No. 3373/2 has been mentioned. There is also a mismatch between the Khasra numbers in the plan and those stated in the affidavit and on the online portal. Furthermore, the building plan does not specify the earmarked land area and built-up area for each course being run on the premises, nor does it show the

demarcated land area and built-up area for the teacher education programmes. Institution should clarify regarding the same.

(xviii) The institution is required to upload the list of teaching staff of all Education Faculty Programmed duly approved and countersigned by its affiliating body. The institution is required to upload the bank statement of last six months indicating the transaction of the salary / remuneration to its teaching staff.

(xix) The institution has not uploaded the Building Safety Certificate as per the National/State Disaster Management Authority issued by the competent Government authority.

(xx) The details of Fire Safety Certificate No. 46250 dated 03.03.2025, issued by the Fire Officer, Nagar Parishad, Sikar, as mentioned by the institution, are verifiable on the online portal of the Rajasthan Government. The date of issue of the Fire Safety Certificate is 03.03.2025 and its validity up to 02.03.2026, while the plot area recorded on the Rajasthan Government portal is 1,000 sq. m. whereas the institution has declared its total land area as 10,000 sq. m. Institution should clarify regarding the same

(xxi) The institution has uploaded the Building Completion Certificate, which mentions only Kh. No. 3373/2, while Kh. Nos. 2375/1, 2375/2, and 2375/3 are not reflected in the BCC. The total land area is stated as 10,000 sq. m. with a built-up area of 4,897.67 sq. m. However, the land area specifically earmarked for Teacher Training Programmes has not been indicated. The institution has shown the entire built-up area of 4,897.67 sq. m. as earmarked for Teacher Training Programmes. As per the land and building documents uploaded by the institution, if the entire built-up area is reserved for Teacher Training Courses, it remains unclear where the institution is conducting its multi-disciplinary courses. Institution should clarify regarding the same.

(xxii) The institution is required to upload Fire Safety Certificate issued by Fire Safety Department, Government of Rajasthan verifiable on the official portal of the Fire Department, Government of Rajasthan at URL [https://lsgonline.rajasthan.gov.in/track\\_application.aspx](https://lsgonline.rajasthan.gov.in/track_application.aspx)

(xxiii) The institution is required to submit geotag photographs of the Multipurpose Hall with different angles clearly indicating the longitude and latitude with date of photograph.
