-----	------------------	---	------

Decision of WRC:

In terms of Section 14 (1)/15 (1) of the NCTE Act, 1993, the online application of institution for 4-Year Integrated Teacher Education Programme (ITEP) programme, Regulations, Guidelines issued by NCTE from time to time and reply of SCN post LOI uploaded by the institution were carefully considered by the WRC, NCTE and the Committee observed as under:

- (i) In response to SCN Post LOI regarding point no. 1, the university has replied that "Parul University, Vadodara, Gujarat has applied to NCTE, New Delhi for the first time seeking its permission to offer ITEP programmes. As the University has not yet received the final approval / Letter of Permission from the National Council for Teacher Education (NCTE), New Delhi, the requirement relating to additional infrastructural facilities added during the last quarter is not applicable to Parul University. It is further stated that the University already possesses adequate infrastructural facilities within its campus, in accordance with the norms and standards prescribed by the NCTE for the conduct of the Integrated Teacher Education Programme (ITEP). Screenshots of the infrastructural facilities available for the proposed programme, including classrooms, laboratories, seminar halls, administrative and faculty offices, sports facilities, library facilities, and other allied academic infrastructure, have been uploaded on the University website. The relevant information and screenshots of the existing infrastructural facilities for ITEP programme shall be accessed at the following official web link of the University: <https://paruluniversity.ac.in/faculty/faculty-of-education-proposed/>. The University further assures that upon receipt of the Letter of Permission from the NCTE, New Delhi, any additional infrastructural facilities, if required in compliance with NCTE norms, regulations, or directives, will be duly made available, and the information on additions made to infrastructural facilities thereto will also be uploaded on the University website and communicated to the NCTE."

The Committee noted that the applicant University has stated that first the recognition is required to be granted by NCTE by issuing Final Approval/Letter of Permission thereafter, it will meet the requirement related to additional infrastructural and instructional facilities as per the NCTE Norms & Standards. As the University is not in adherence of the Norms & Standards of NCTE as on date, therefore not eligible for grant of recognition to ITEP Programme.

In view of the above, the WRC decided that the application submitted by the institution for ITEP programme be refused u/s 14 (3) (b) / 15 (3) (b) of the NCTE Act, 1993.
