Decision of NRC

The online file of the institution along with other related documents, NCTE Act, 1993, Rules, Regulations, SOP, guidelines issued from time to time were placed before the Northern Regional Committee and the Committee noted that the application of the institution is found to be deficient on the following grounds: -

- o The institution has claimed itself as a Multidisciplinary Institution, however, it has not uploaded any documentary evidence to substantiate its claim. **Sub-regulation 2 (ca) of NCTE Regulations 2014 as amended from time to time notified on 22.10.2021, provides the following definition of Multidisciplinary institution: -**

"(ca) "multidisciplinary institution" means a duly recognised higher education institution involving several different subjects of study/ combining or involving more than one discipline. Multidisciplinary universities and colleges will aim to establish education departments, which besides carrying out cutting edge research in various aspects of education, will also run Integrated Teacher Education Programme, in collaboration with other departments or field of liberal arts or humanities or social sciences or commerce or mathematics, as the case may be, at the time of applying for recognition of Integrated Teacher Education Programme."

- Thus, the Committee noted that the institution does not fulfil the basic criteria for processing of the application as given in the Public Notice dated 07.05.2026 issued by NCTE.

In view of the above, the institution is not eligible for further processing of its application. In case, the institution may establish itself as an eligible institution as per Public Notice dated 07.05.2026, it is further found to be deficient on the following grounds:

- The institution is required to upload a Certificate as well as *Nazri Naksha* of the land signed by the Patwari or an officer of equivalent rank/level in the concerned State, duly countersigned by the Competent Revenue Authority (At least the level of Tehsildar or equivalent Officer) indicating that all the Khasra Nos. of land on which the institution is established, are adjacent to each other.

Decision of NRC

The online file of the institution along with other related documents, NCTE Act, 1993, Rules, Regulations, SOP, guidelines issued from time to time were placed before the Northern Regional Committee and the Committee noted that the application of the institution is found to be deficient on the following grounds: -

- o The institution has claimed itself as a Multidisciplinary Institution, however, it has not uploaded any documentary evidence to substantiate its claim. **Sub-regulation 2 (ca) of NCTE Regulations 2014 as amended from time to time notified on 22.10.2021, provides the following definition of Multidisciplinary institution: -**

"(ca) "multidisciplinary institution" means a duly recognised higher education institution involving several different subjects of study/ combining or involving more than one discipline. Multidisciplinary universities and colleges will aim to establish education departments, which besides carrying out cutting edge research in various aspects of education, will also run Integrated Teacher Education Programme, in collaboration with other departments or field of liberal arts or humanities or social sciences or commerce or mathematics, as the case may be, at the time of applying for recognition of Integrated Teacher Education Programme."

- Thus, the Committee noted that the institution does not fulfil the basic criteria for processing of the application as given in the Public Notice dated 07.05.2026 issued by NCTE.

In view of the above, the institution is not eligible for further processing of its application. In case, the institution may establish itself as an eligible institution as per

Decision of NRC

The online file of the institution along with other related documents, NCTE Act, 1993, Rules, Regulations, SOP, guidelines issued from time to time were placed before the Northern Regional Committee and the Committee noted that the application of the institution is found to be deficient on the following grounds: -

- The institution has claimed itself as a Multidisciplinary Institution, however, it has not uploaded any documentary evidence to substantiate its claim. **Sub-regulation 2 (ca) of NCTE Regulations 2014 as amended from time to time notified on 22.10.2021, provides the following definition of Multidisciplinary institution: -**

"(ca) "multidisciplinary institution" means a duly recognised higher education institution involving several different subjects of study/ combining or involving more than one discipline. Multidisciplinary universities and colleges will aim to establish education departments, which besides carrying out cutting edge research in various aspects of education, will also run Integrated Teacher Education Programme, in collaboration with other departments or field of liberal arts or humanities or social sciences or commerce or mathematics, as the case may be, at the time of applying for recognition of Integrated Teacher Education Programme."

- Thus, the Committee noted that the institution does not fulfil the basic criteria for processing of the application as given in the Public Notice dated 07.05.2026 issued by NCTE.
- The Committee also noted that the institution does not fulfil any of the shortlisting criteria for processing of application for ITEP as given in the Public Notice dated 07.05.2026 issued by NCTE.
- If the institution claimed itself eligible for processing of its application for ITEP under category (iii) of the Public Notice dated 07.05.2026 i.e., UGC recognized University offering undergraduate, Postgraduate and Doctoral Degree Programme shall be eligible. The institution is required to submit proof of its claim of eligibility under the said category.

In view of the above, the institution is not eligible for further processing of its applications. In case, the institution may establish itself as an eligible institution as per Public Notice dated 07.05.2026, it is also found to be deficient on the following grounds:

Decision of NRC

The online file of the institution along with other related documents, NCTE Act, 1993, Rules, Regulations, SOP, guidelines issued from time to time were placed before the Northern Regional Committee and the Committee noted that the application of the institution is found to be deficient on the following grounds: -

- The institution has claimed itself as a Multidisciplinary Institution, however, it has not uploaded any documentary evidence to substantiate its claim. **Sub-regulation 2 (ca) of NCTE Regulations 2014 as amended from time to time notified on 22.10.2021, provides the following definition of Multidisciplinary institution: -**

"(ca) "multidisciplinary institution" means a duly recognised higher education institution involving several different subjects of study/ combining or involving more than one discipline. Multidisciplinary universities and colleges will aim to establish education departments, which besides carrying out cutting edge research in various aspects of education, will also run Integrated Teacher Education Programme, in collaboration with other departments or field of liberal arts or humanities or social sciences or commerce or mathematics, as the case may be, at the time of applying for recognition of Integrated Teacher Education Programme."

- Thus, the Committee noted that the institution does not fulfil the basic criteria for processing of the application as given in the Public Notice dated 07.05.2026 issued by NCTE.

Decision of NRC

The online file of the institution along with other related documents, NCTE Act, 1993, Rules, Regulations, SOP, guidelines issued from time to time were placed before the Northern Regional Committee and the Committee noted that the application of the institution is found to be deficient on the following grounds: -

- o The institution has claimed itself as a Multidisciplinary Institution, however, it has not uploaded any documentary evidence to substantiate its claim. **Sub-regulation 2 (ca) of NCTE Regulations 2014 as amended from time to time notified on 22.10.2021, provides the following definition of Multidisciplinary institution: -**

"(ca) "multidisciplinary institution" means a duly recognised higher education institution involving several different subjects of study/ combining or involving more than one discipline. Multidisciplinary universities and colleges will aim to establish education departments, which besides carrying out cutting edge research in various aspects of education, will also run Integrated Teacher Education Programme, in collaboration with other departments or field of liberal arts or humanities or social sciences or commerce or mathematics, as the case may be, at the time of applying for recognition of Integrated Teacher Education Programme."

- Thus, the Committee noted that the institution does not fulfil the basic criteria for processing of the application as given in the Public Notice dated 07.05.2026 issued by NCTE.

In view of the above, the institution is not eligible for further processing of its application. In case, the institution may establish itself as an eligible institution as per Public Notice dated 07.05.2026, it is further found to be deficient on the following grounds:
